== Luxury feline resort & spa ==

## **WHAT TO EXPECT WHEN BOARDING WITH US:**

- Bring kitty(s) in pet carriers for their safety
- Bring copy of current vaccination history
- Kitty must be on a current flea preventative (Purchased from a veterinarian)
- Bring food & any medications

We have plenty of bowls, blankets & toys but you are welcome to bring anything from home.

When you drop off your kitty(s) we will fill out a couple of quick forms, & go over your kitty's individual needs while staying with us.

You will be provided with the instructions to download the free video camera app. You will be able to watch your kitty(s) 24/7 if you have internet service.
